Additional benefits that some Medicare Advantage plans may offer to certain members with chronic health conditions, when allowed by Medicare rules.

SSBCI benefits are not available to all members, require the member to meet specific eligibility criteria, and are offered at the plan's discretion. Not all plans offer SSBCI benefits.

PruittHealth Premier (HMO I-SNP) has a network of doctors, hospitals, pharmacies, and other providers that can be found on our website at [PruittHealthPremier.com](https://www.PruittHealthPremier.com). If you use providers that are not in our network, the plan may not pay for these services.
