PruittHealth Premier is an HMO I-SNP with a Medicare contract. Enrollment in PruittHealth Premier plans depends on contract renewal. Other providers are available in our network. Some plan benefits are part of Special Supplemental Benefits for the Chronically Ill (SSBCI). Not all members qualify. To be eligible, a member must have a qualifying chronic condition, be determined by the plan and a healthcare provider to be at high risk for hospitalization or other adverse health outcomes, and require a high level of care coordination. Even if a member has a qualifying chronic condition, they may not receive these benefits. Coverage depends on the plan's specific eligibility criteria and clinical determination. Members may be required to complete an assessment with the plan's care team to confirm eligibility throughout the year.
